Kenilworth Landing Page

Project List for this site:

- ☐ Fill out and Maintain landing page
- ☐ <https://schoolhouse4math.pikapod.net/books/new-instructor-training> fill out the training path for a new instructor
- ☐ Organize the structure of the site.
- ☐ Create Kenilworth Landing page for instructors (Include directions for shifts, projects, wheel spin, answer keys and anything else they might need)
- ☐ Transfer S4M procedural documents to BookStacks
- ☐ Add links to google drive materials that Kenilworth has conglomerated for students. Include directions and for each grade so it is easy for instructors and all to access / print. (Bridges, Savvas, Big Ideas, and New Trier)

Brief description of the purpose of this site

If you are an Instructor, go here: [Link](#)

If you are looking for training materials, go here: [Link](#)

If you want to view all the stacks, go here: [Shelves Link](#)

To find your specific center go here:

To find school-specific curriculum go [here](#):
